In Applicant's Request to Vacate Final Rejection filed 03/20/05, Applicant points out that the second Office action (mailed 09/22/04 and deemed "final") is deficient in failing to consider all of the limitations of claims rejected thereby. The

purpose of the instant supplemental paper is to emphasize that this deficiency is present not only in independent claims 1, 19 and 29, but also in dependent claims 10, 11, 16, 17, 18, 20, 21, 22, 23, 24, 25, 26, 27, 28, and 33. With regard to each of these claims, the second Office action discusses the previously unrecited limitations only -- that is, only the limitations that are "added" by Applicant's Amendment filed 06/10/04. In the second Office action, each corresponding subparagraph explaining a claim rejection begins with the phraseology, "As per the added features to claim [1, 10, 11, 16-29, 33], ..."

Accordingly, Applicant's requests for withdrawal of the finality of the second Office action, and for entry of Applicant's After-Final Amendment filed 03/20/05, are respectfully reiterated herein.

Respectfully submitted,

HOWARD KAISER
